# Welcome

## TO SEA CLOUD CRUISES

---

Dear Sailing Enthusiasts,

Welcome to SEA CLOUD CRUISES, luxury sailing experiences on authentic sailing yachts. We are thrilled to share our brand new 2025 brochure. Enclosed are extensive details on our five-star ships, exclusive itineraries, world-class destinations, and boutique ports off the beaten path that veer away from the crowds. To start the year, we feature San Juan as our special January homeport for SEA CLOUD SPIRIT. To celebrate this exciting and historic port, famed Puerto Rican chefs will guest host each of the four sailings that month, kicking off our new partnership with Chef's Dining Table.

We're also excited to announce several new ventures for next year, including collaborations with Hillwood Estate, Museum & Gardens, George Washington's Mount Vernon, The Breakers Palm Beach, and Brightline High-Speed Passenger Train. Additionally, we have several renowned guest lecturers joining us on board who will entertain with informative talks in their fields.

In April, we'll celebrate SEA CLOUD's 94th birthday with a special Mediterranean sailing. And then, October 16th marks her bon voyage before heading into dry-dock for a big birthday makeover. She'll re-emerge fully refreshed for a year of 95th anniversary events.

In 2025, our Curated Moments—complimentary private events onshore—will take guests to special evenings at museums and exclusive excursions in Spain and Italy. Our bespoke journeys open up special worlds only a select few are ever privy to, from orchestra concerts at prestigious venues to front-row seats at the most elite regattas and car races.

Thank you for joining us, and welcome to the SEA CLOUD Difference.

Sincerely,

Daniel Schäfer  
President

## OLD WORLD GLAMOUR

An affluent history permeates throughout this special fleet beginning with its leader, the original SEA CLOUD. Her story starts in the upper echelon of 1931 society, when Marjorie Merriweather Post and her husband, Edward F. Hutton, commissioned a grand four-masted barque. It would be the largest private sailing yacht in the world at the time, and served as a sophisticated stage for their extravagant life hosting nobility, dignitaries, and celebrities.

Throughout the next nine decades, SEA CLOUD, would live many lives under various names, until 1979 when she was rescued and meticulously restored. Today, she radiates the glamour of Merriweather Post's impeccable tastes for an intimate handful of guests. With original suites and classic sailing decks, she leads the fleet as one of only a few passenger ships hand-rigged without electronic controls.

With her 95th birthday approaching in 2026, this grand dame will head to dry-dock in October 2025 to get pampered and revamped for the momentous occasion, marked with celebratory farewell sailings.

## DISTINCTIVE DETAILS

The SEA CLOUD combines opulent charm with the thrill of an authentic windjammer – even the masts are made of wood rather than aluminum. Italian marble fireplaces, French antiques, an oak-paneled dining room, golden swan bath fixtures, gleaming brass, and parquet wood exemplify the splendor aboard. Guests quickly find a favorite space, from the lido bar for alfresco lunch and sunset cocktails and the open-air blue lagoon to the leisure lounge for expert lectures, the common areas add to its historic allure.

The SEA CLOUD offers an intimate sailing experience with only 32 suites and staterooms, creating an ambiance with the feel of a private yacht. Eight of the original suites have been carefully restored to their original glamour, including Merriweather's, Hutton's, and their daughter Dina Merrill's. The rest pamper guests with modern amenities in a contemporary ambiance of light and warm woods.

## TIMELESS ROMANCE

With its own prestigious personality, the SEA CLOUD II marries the modern luxuries of a private yacht with the classic romance of a tall sailing ship. Built in 2001 with the maritime family resemblance of the original SEA CLOUD, this second generation welcomes up to 94 guests with expansive spaces to unwind and reset, exclusive outside staterooms, and pampering from a 65-member crew waiting to tend to every whim — all of which earned it a Berlitz five-star rating.

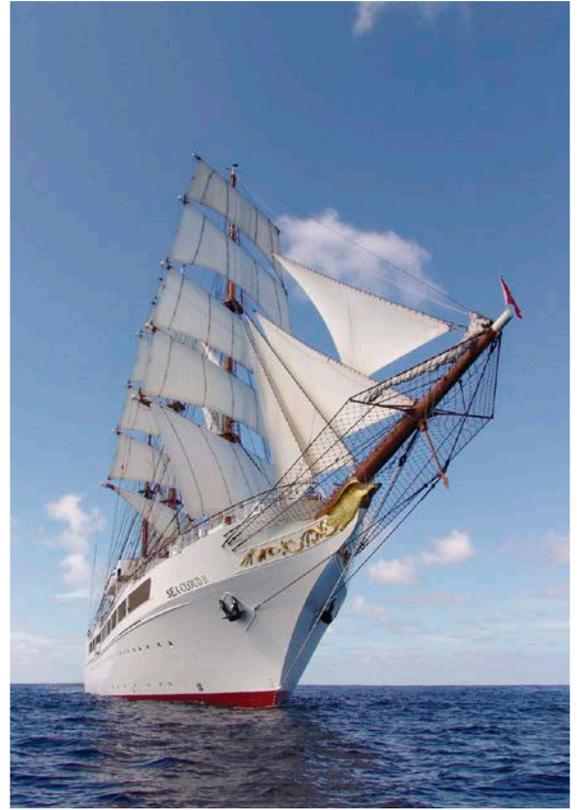

## DISTINCTIVE DETAILS

Detailed with refined style, every area on board the SEA CLOUD II evokes the luxury of leisure time. Across four expansive decks, there's plenty of space to linger at the lido bar and bistro, relax in the lounge with the sounds of a Steinway, or unwind in the elegant light-filled library. Get physical in the fitness room, active on the swim platform, or massaged in the spa. The upscale restaurant features full-service fine dining where guests come together for one sophisticated sitting.

This exclusive home on the high seas comes with 47 plush suites and deluxe staterooms.

With artful interiors, marble bathrooms and small sitting areas, these retreats pamper with comfort and spaciousness.

## MODERN LUXURY

Ranked among best luxury passenger ships in the world, the SEA CLOUD SPIRIT redefines the elite experience of being on board and close to the sea. Her design was guided by that of the original SEA CLOUD, with the addition of 21st century technologies that modernized the fleet in 2021. The newest and largest of the SEA CLOUDS welcomes up to 136 guests, with plenty of space to let your spirit soar and explore. This authentic three-mast ship with 28 sails hoisted by hand is flooded with light, state-of-the-art luxuries, and ultimate relaxation.

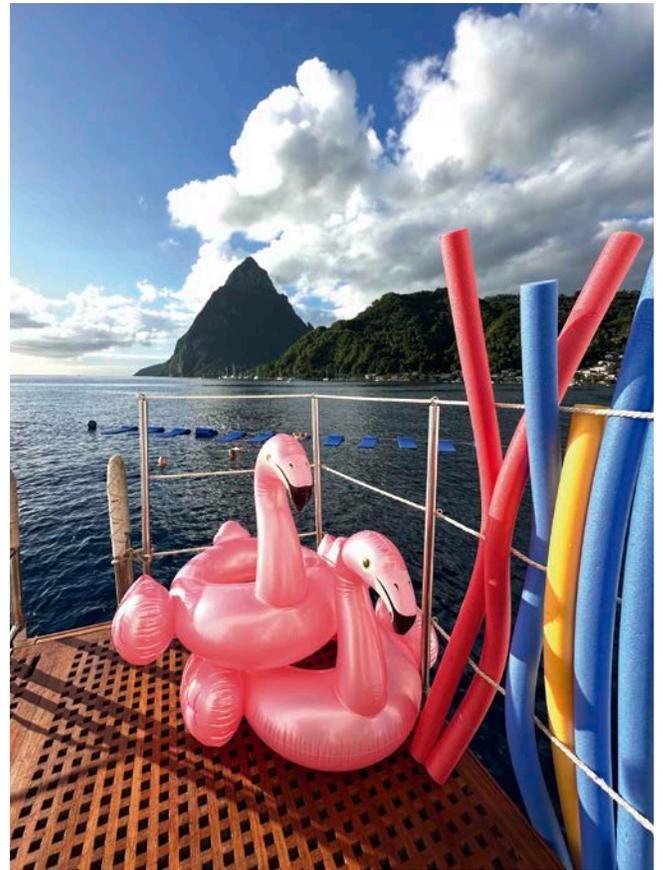

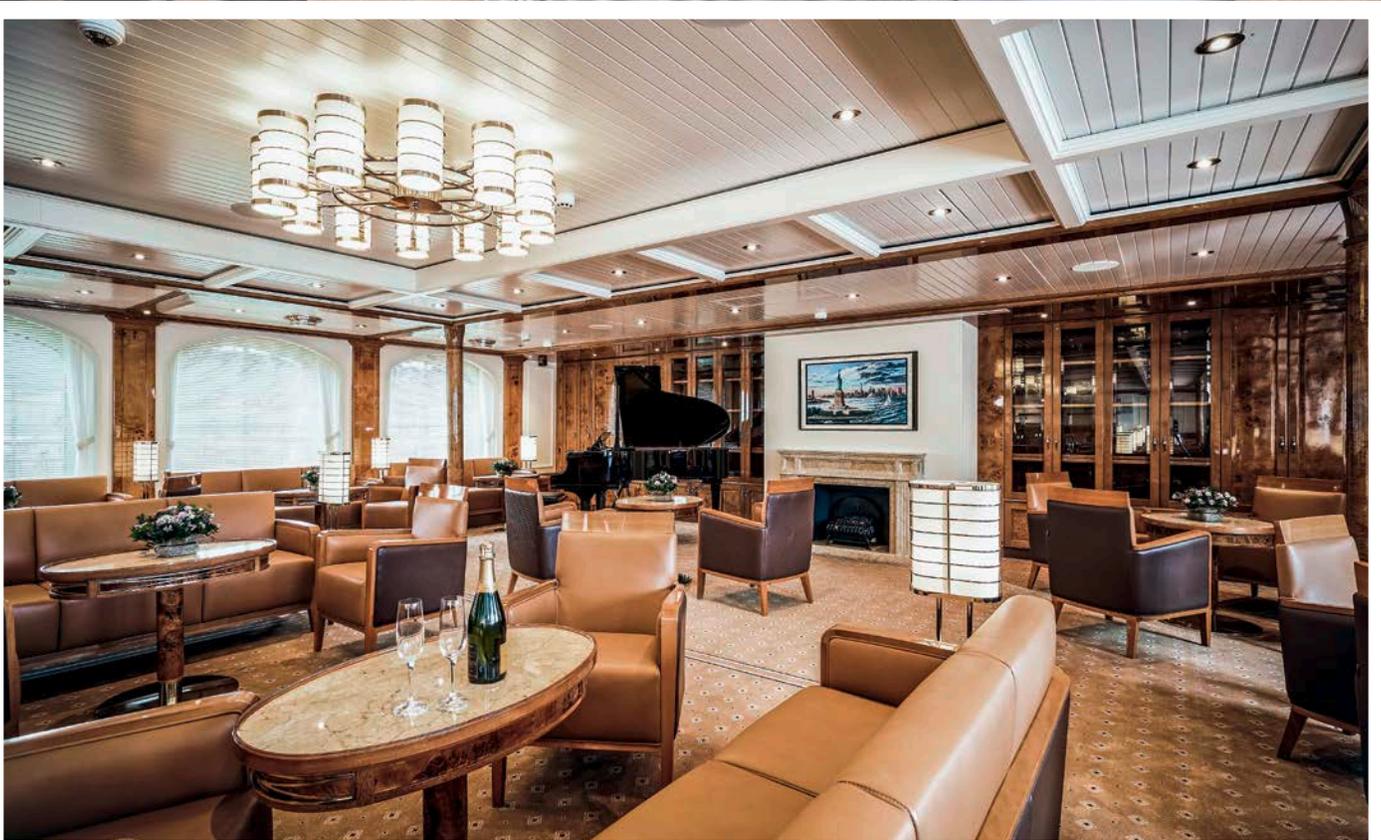

## DISTINCTIVE DETAILS

With its generous sun deck, fine-dining restaurant, lido deck amenities and lounge with a Steinway grand piano, the SEA CLOUD SPIRIT offers ample space to unwind from the daily grind and harmonize with the rhythms of the sea. A gym with panoramic ocean views and the exclusive spa & wellness area with sauna, steam bath and choice of cosmetic treatments round out the experience, transforming the sailing voyage into pure pampering.

The suite retreats are designed to experience sailing more intensely and exclusively, right from the balcony. Sail in the nautical splendor of expansive living and sleeping spaces with fine furnishings, finishes, and golden fixtures.

The spacious outside rooms are stylish sanctuaries at sea. Almost half of the 69 accommodation options have balconies or opening windows to take in the ocean more intensely and exclusively. Fine furnishings and upscale interiors characterize the deluxe and superior staterooms.

# Harmony

## OF SAILING SUSTAINABLY

---

Be one of the few to experience the thrill of an authentic sailing adventure. As one of the only luxury fleets to still hoist the sails by hand, we relish every opportunity to synchronize with the wind, the sea, and the endless horizon, in harmony with nature's rhythm. On the three windjammers, the sailors scale upwards of 190 feet into the shrouds, release the heavy cloth, then vigorously tighten the ropes down on deck. There are no buttons can simply be pressed. It takes almost a full hour until all sails catch the wind. This time-honored tradition uses full wind power for 30 to 50 percent of any given sailing. When not riding the winds, the ships are powered by diesel-electric engines with low-sulfur marine diesel fuel. This kind of gentle tourism is as much a part of the SEA CLOUD Difference as our elite itineraries.

Our bijoux ships sail to affluent destinations and boutique ports off the beaten path, steering away from large cruise crowds. From the Caribbean and Central America to the Med, Morocco, Portugal, and more, every itinerary is hand selected and special, with the principles of smaller, sustainable tourism charting our course. It's been that way for more than 40 years, both on the water and in our premier ports of call. Experiencing local cultures while creating added value in the areas we visit are paramount to our purpose, ensuring the impact we leave is on beautiful memories alone.

# Luxury LIFE ONBOARD

---

Days aboard the SEA CLOUDS are exhilarating and exclusive, with the ocean always in reach. Be on deck when our crew scales the shrouds to release the sails — it's one of the most thrilling parts of vacation aboard our authentic tall ships. Get deeper insights into the workings of a premier tall ship firsthand from your First Officer, and on long crossings, learn from classes with the captain. In addition to seeing the sails unfurl, our smaller ships mean greater possibilities, like pausing for an ocean dip, a quick trip on the zodiac, beach barbecues in secluded bays, and exclusive photo safaris.

Beyond classic sailing, the luxury of leisure time often includes renowned experts joining onboard to entertain and educate. Get holistically fit on a wellness-themed voyage, or wine and dine with perfect pairings on a culinary journey. In January, when SEA CLOUD SPIRIT homeports in San Juan, look for a guest chef series featuring famed and award-winning gourmards on each of the four sailings. Wilo Benet, Julie Carrión, Francis Guzman, and Mario Pagan will host culinary voyages through the Caribbean when they join onboard for six- to eight-night sailings. Read more about each of their epicurean journeys on page 112.

Or feed your intellect with astronomy events as well as lectures with literary giants like *New York Times* bestselling author Les Standiford (page 126), eco experts like Stephen Weston (page 126), and museum curators such as Dr. Wilfried Zeisler (page 116). He leads the famed Hillwood Estate, Museum & Gardens, which was founded by Marjorie Merriweather Post, original owner of SEA CLOUD. Dr. Zeisler sails with us in February to mark the museum's 2025 special exhibition opening dedicated to the SEA CLOUD.

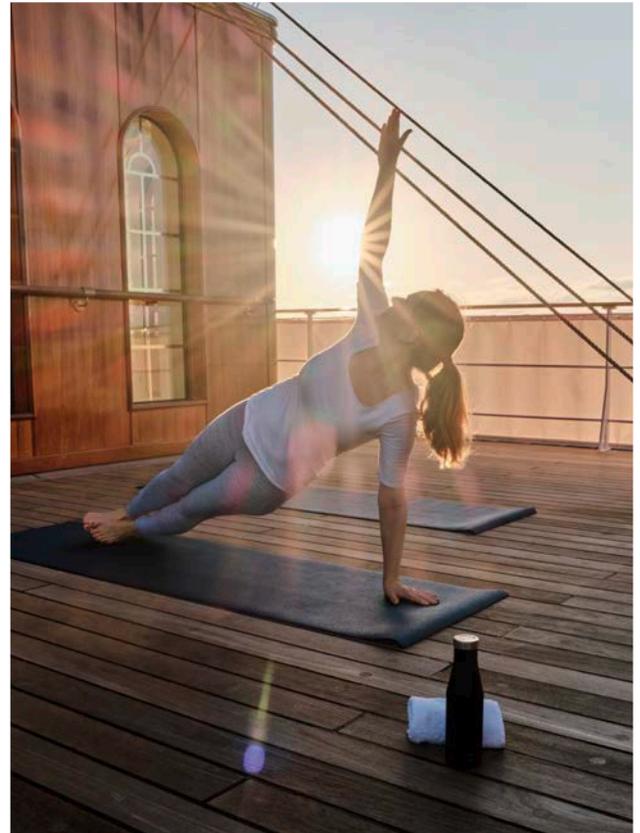

# Five-Star AMENITIES

---

Detailed with refined style, every area on board the SEA CLOUDS evokes the luxury of leisure time. And when you want to get away from it all, you'll need some space – for your mind and your sun chair. Across expansive decks, there are plenty of places to reset and refresh.

Don't miss the chance to pamper yourself with a spa day at sea on SEA CLOUD SPIRIT. From deep tissue massages to hot stone therapies, a steam bath to Finnish sauna detox, and cosmetic treatments with high-end products, our self-care menu transforms the sailing voyage into pure indulgence. Round out your wellness getting physical in the fitness room and active with adventures found on the swim platform. And when it's time for fine dining, the upscale restaurant features full service, where guests come together for one sophisticated seating.

# Atlantic CROSSING

Sailing across the Atlantic on a classic route is the ultimate windjammer discipline, and for many, a lifelong dream. The SEA CLOUDS become the destination on the weeks' long journeys between the Canary Islands and Caribbean, riding the winter trade winds. The modern luxury of our sailing yachts first sets a course southward where, at the height of the Cape Verde Islands, the winds fill the sails. Then the voyage turns westward; every nautical mile taking you a closer to summer. For nearly two weeks, the SEA CLOUDS enjoy optimal conditions and frequently run under sail even overnight.

# Canary ISLANDS, MOROCCO AND PORTUGAL

From sunny days on the famous beaches of Spain to magical nights in Morocco, see it all in spring or fall.

Unique Old Towns mix with modern city flair along these coasts. In the Canary Islands, landscapes range from desert to forest, with the Teide volcano in Tenerife as the highest peak. In Portugal, don't miss the most beautiful approach to Lisbon with our passage up the Tagus River.

# Eastern & WESTERN MEDITERRANEAN

In the south of Europe, savor French wine and caviar on the Côte d'Azur, then admire art and architecture along the Costa Brava. Eat paella in Valencia, dance flamenco in Andalusia, and shop the sophisticated streets of Mallorca. The western part of the region offers a rich tapestry of cultures, and includes high-end stops at St. Tropez, Monte Carlo, and all around Corsica.

## ITALY, CROATIA & GREECE

Sail east to discover Italian treasures, Greek antiquities, and baroque Adriatic splendor. Compare the red roofs of Dubrovnik to the royal blues of Greece. ## SUITES & STATEROOMS

**CAT. A OWNERS' SUITE 1**

Like all of the original accommodations, Marjorie Merriweather Post furnished the owners' suites herself. Whenever she traveled aboard the SEA CLOUD, these posh, private quarters were her home, so she outfitted them in opulence. Today, her personal owners' suite maintains her exquisite touch with white Carrara marble in the fireplace and bathroom, gold-plated swan fixtures, Louis Philippe chairs, an elaborate floor-to-ceiling dressing mirror and ornate golden-trimmed ceilings. The high-end design and furnishings reflect the successful entrepreneur's penchant for luxuriating on this private yacht in ultimate comfort.

**CAT. A OWNERS' SUITE 2**

In addition to her exquisite taste, Marjorie's attention to detail is also on display in the owners' suites, richly reflected in the chambers of her first husband Edward Hutton, who gifted her the majestic SEA CLOUD sailing yacht. The maple wood paneling and furnishings create a feeling of warmth and solidity offset by a light, coffered ceiling. Hutton's bureau-bookcase secretary with mirrored glass is a particularly stunning piece. In contrast to her white bath, his is done in red Carrara marble and includes a chest of drawers and golden fixtures.

**CAT. B DELUXE SUITE 4**

Throughout the commissioned construction of the SEA CLOUD in Kiel, Germany, and later when Marjorie was already living on board, she collected precious antiques from all over the world. This deluxe suite is one of the many examples of how skillfully she integrated the valuable pieces into the interior, and thus, into the overall appearance and ambiance of her private luxury yacht.

Every voyage on the SEA CLOUD is also a journey through time. In all original cabins, as well as in this deluxe cabin, you will feel taken back to the time of the elegant world exploration of the 1930s. The selected antique mahogany furniture is small and exquisite. The color selection of the fabrics gives the room an extremely warm, sunny and light atmosphere. ### CAT. B DELUXE SUITE 7

As the SEA CLOUD's original owner, Marjorie designed the interiors of her luxury sailing yacht with such attention to detail because she wanted to offer her daughter, Dina Merrill, a wonderful and safe home on board. This is especially noticeable in this deluxe suite where Dina spent a large part of her childhood. The warm maple finishings stand out with dramatic mahogany inlays. The unusual floor plan, including an angled fireplace makes the space feel even larger.

### CAT. C DELUXE SUITE 9

### CAT. C DELUXE SUITE 10

The design of Deluxe Suites 9 and 10 is based on historical models with a modern aesthetic in warm fabrics and light wood tones. Both suites are located at the end of the original hallway and connect to the promenade deck by a separate staircase.

### CAT. 1 STATEROOMS

Like all staterooms on the captain's and lido deck, these two were built as recently as the late 1970s and offer all the comforts of private yacht accommodations. Panoramic windows cornering the head of the bed create a bright, airy vibe with views to match.

- Approx. 13 m<sup>2</sup>/140 sq. ft.
- Marble bathroom with shower and golden fixtures
- Queen bed (2 mattresses), 80 x 200 cm/31 x 79 in. each

### CAT. 2 STATEROOMS

Even though the staterooms on the captain's and lido deck were harmoniously integrated into the SEA CLOUD after her initial construction, they still follow the design standards set on the original. Their tasteful interiors are a contemporary interpretation of Marjorie's aesthetic from the 1930s. The elevated comfort of the spaces are complemented by spectacular sea views from double windows.

- Approx. 13,5 m<sup>2</sup>/145 sq. ft.
- Marble bathroom with shower and golden fixtures
- Two twin beds, 80 x 200 cm/ 31 x 79 in. each (convert to queen upon request)

### CAT. 3 STATEROOMS

These plush staterooms have a special maritime charm due to their location between the stations for hoisting and lowering the sails. The deckhouse, which was added during the renovation of the SEA CLOUD, is an oasis of peace, and due to its location on the promenade deck, the staterooms are also only steps away from the restaurant and lounge.

- Approx. 12,5 m<sup>2</sup>/135 sq. ft.
- Marble bathroom with shower and golden fixtures
- Two twin beds, 80 x 200 cm/ 31 x 79 in. each
- Closet
- Two windows with sea views
- Safe

### CAT. 4 STATEROOMS

In addition to the luxurious comfort that defines the SEA CLOUD, both of these staterooms offer a special feature: direct access to the most charming place on the tall ship, the Blue Lagoon. The semi-circular, blue-cushioned space is the traditional onboard area for relaxing under the daytime sun or dreamy night views of starry skies twinkling off the ocean.

- Approx. 10,5 m<sup>2</sup>/113 sq. ft.
- Marble bathroom with shower and golden fixtures
- Two twin beds, 80 x 200 cm/ 31 x 79 in. each
- Closet
- Window with sea view
- Safe

### CAT. 5 STATEROOMS

These special staterooms were made for sailing enthusiasts. In Marjorie's time, these were accommodations for SEA CLOUD officers, thus, the vibe is authentically nautical. The best part, which is exclusive to these staterooms, is direct access to the promenade deck, directly below the bridge. Open the door to breathe in the salty sea air and experience the charming maritime ambience.

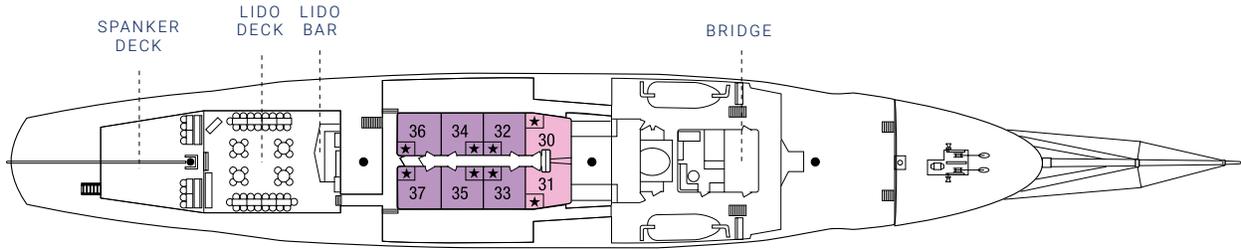

- Approx. 9,5 m<sup>2</sup>/102 sq. ft.
- Upper and lower bed: 80 x 200 cm/31 x 79 in. each
- Marble bathroom with shower

## Mount Vernon And Dr. Peter Cressy

In a proud new partnership, SEA CLOUD CRUISES is collaborating with George Washington's Mount Vernon. In 2013, the Mount Vernon Ladies' Association founded the Washington Leadership Institute, which retired Navy Admiral Dr. Peter Cressy has led as Director of Executive Leadership Programs for the past eight years.

President Washington's Caribbean connection is evidenced in a diary he kept detailing a sailing to the region with his younger brother – his only exploration outside of what would become the United State of America.

Whether you want to sleep in or greet the sunrise early on deck, whether you want to relax or be active, only you decide depending on your mood. Even though the SEA CLOUD II is a genuine windjammer, first and foremost her focus lies on providing pure comfort throughout your voyage.

With her spacious and tastefully furnished suites and staterooms, she offers plenty of room for seclusion. You want to browse in the library? Work out in the fitness area? Talk shop with our lecturers? There is never a dull moment. And a true highlight is the Atlantic christening ceremony with a visit from Neptune himself.

## HILLWOOD ESTATE, MUSEUM & GARDENS

SEA CLOUD CRUISES USA has partnered with the historic Hillwood Estate, Museum & Gardens, founded by our own Marjorie Merriweather Post. As the original owner of the SEA CLOUD luxury sailing yacht, this is a pairing that makes perfect sense.

Five miles from downtown Washington DC, the 25-acre estate welcomes worldwide visitors to Merriweather Post's former residence, a pristine mansion where its large decorative arts collection spotlights the House of Romanov, including two Fabergé eggs. French art, one of the country's best orchid collections, and a Merriweather Café are just the start of all that awaits here.

Merging synergies to honor Post's living legend of a ship and her 90+ year history, Hillwood is hosting a special exhibition dedicated to the original SEA CLOUD opening February 15, 2025. In preparation for such an historic event, curator Thomas Wu cataloged artifacts and reviewed ship documents while aboard SEA CLOUD for a Mediterranean sailing that took place July 19th through 29th, where he also engaged guests with a special onboard presentation.

### Caribbean Sailing with Hillwood's Curator

Marking the 2025 exhibition opening, deputy director and chief curator, **Dr. Wilfried Zeisler**, will join guests aboard SEA CLOUD SPIRIT on February 1st for a nine-night voyage from St. Maarten to Curaçao. While aboard the fleet's newest and largest ship, inspired by Post's original floating palace, he will provide a preview of the exciting SEA CLOUD exhibition.

# INSIDER TIP FOR *Sailing* ENTHUSIASTS

DISCOVER THE BAHAMAS' MOST EXCLUSIVE ISLANDS  
AND THEIR BRIGHTLY COLORED REEFS

**Bon Voyage at Sunset** Toast Miami farewell as you glide away from the glowing skyline with glasses of champagne.

**Bahamas' Best Snorkeling Spots** Behold a rainbow of underwater color at secluded coral gardens.

**Insider Tip** Experience the exclusivity of the Exumas' untouched beaches, shallow waters, and its famous swimming pigs.

**Lively and a Little Bit Funky** Take a walk on the quirky side through Hemingway's Key West.

### Secret tip: Eleuthera

Eleuthera lies in distinctive turquoise waters with the Atlantic Ocean on one side and the Caribbean Sea on the other. Despite her slender proportions, the island is home to an incredible breadth of nature, and its beaches are lined with shell-scattered sandbanks.

### Hidden gem: Exumas

Secluded bays, picturesque anchorages, and divine snorkeling spots around protected reefs – the Exumas should be a tourist hub, but the archipelago has remained exclusive. Most of the paradise islands are uninhabited and can only be reached by yacht.

## What is so fascinating about a transatlantic voyage?

Our modern SEA CLOUD SPIRIT proves on the voyage across the Atlantic, how perfectly authentic windjammer sailing can be combined with the feel-good demands of the 21st century.

The amenities on board turn the Atlantic crossing into a voyage of pure indulgence. It never gets boring on board: whether you want to tie knots with the crew, look over the captain's shoulder or talk shop with our lecturers, you set the course. A special highlight in the middle of the ocean is the Atlantic christening – of course with a visit from Neptune himself.
